The Keys to the Kingdom of True Happiness

It is in the libraries of the world that the records of man's past are preserved and that his future may possibly be assured. It is this almost holy room, holding as it does the sum of all man's learning, that reverence for scholarship begins to grow as the student leafs through the greatest books of the world.

Can Be Found in the Books of the World

Dearest Sylvia:

I don't know you very well right now, but I hope in the future I will know you better and we can look back at this.

Rick Armstrong

Sylvia,

It's pretty evident that last years junior class couldn't ~~compare~~ with last year's sophomore class, but it won't be like that this. You're really a great gal with plenty of good future.

Loads of Luck,

Lucy Arriaga

class of "64"

Here at Hale, the library is a most cheerful room, full of color and light with book shelves that are gradually being filled. A busy room, once the school day starts, the library attracts those students who would unlock doors by the use of books.

Board of Education

Left to right:
Dr. Charles C. Mason, Superintendent of Schools
Mrs. Virgil O. Wood, Member
Mr. Fenelon Boesche, Member
Mr. H. G. Barnett, Member
Mr. Wm. L. Butler, President
Mrs. J. Littleton Daniel, Vice-President
Mr. Carl C. Beesley, Member
Mr. Villard Martin, Jr., Member
Mr. Claude Rosenstein, Attorney

As 1962 graduates of Nathan Hale you stand upon the thresholds of countless closed doors. Some of you will open doors leading to colleges and universities; others will open the doors directly to full citizenship in the community.

Since the beginning of time, knowledge has unlocked the doors of the mystic and the unknown. Today, education continues to be the key which opens the doors of the future.

The knowledge and skills gained in high school have given you many keys for your key-ring of knowledge. Further study and learning will add to this number.

Adequate education opens all doors. But remember—your sense of values will help you determine which doors to open.

May you use your keys wisely.

Dr. Charles C. Mason

The Last Word

This third edition of the Patriot will excite you when it first appears. As the years hurry on, the book will become increasingly valuable. You will look upon faces that in the happy past you may have seen daily, but they are now far away. You will look upon scenes, and as you look, you will live again some priceless experiences. I have a strong conviction that in this Patriot you have something more than an exquisite scrapbook, and in the total contribution of this volume you will find a message—a message which will remind you of your own ambitions and your noblest aspirations. It is my hope that you will reach your goals with all the rewards of those who achieve their best and those who serve mankind with devotion and humility.

Main Office Staff: Mrs. Dorothy Stipe, Bulletin Clerk; Mrs. Vesta Runner, Registrar; Mrs. Evelyn Crockett, Supply Clerk; Mrs. Joanne Ellis, Principal's Secretary.

Administration Staff

Mrs. Maxine Krebbs, attendance clerk, and her student staff.

Main office assistants.

The Nathan Hale faculty of 58 holds the keys to the future for approximately 1500 students for whom they unlock the doors of learning in twelve different fields.

The art department under the capable guidance of Miss Sylvia Samaras exposes its students to many phases of art.

Mrs. Norma Dobson as English department chairman, guides the thirteen other English teachers who make up the largest department of the school. She coordinates the responsibilities of all, so that the students who attend Nathan Hale will have the opportunity to read widely and to learn correct usage in writing and speaking. The foreign language department, headed by Alden Smith, has the same aims for all students enrolled in Spanish, French, and Latin.

The history department, under the direction of Mr. Troy Miller, unlocks the doors to the past in such courses as: ancient and medieval history, world history, United States history, Oklahoma history, modern history, and government and economics. These courses, in reflecting the past, give today's students the opportunity to build a strong foundation of truth based on the successes and failures of leaders in bygone years.

The homemaking department, headed by Mrs. Vola Tanner, offers practical experience in food, clothing, general homemaking and home nursing.

Hale Faculty

The industrial arts and vocational departments provide students with practical opportunities to explore various vocational interests. Mr. Joe Large directs this department.

The math department now offers several advanced classes in addition to the generally accepted high school math courses. Mr. Richard Johnston is the director. The science department, headed by Miss Davida Phillips, also offers advanced classes with expectations of more in the future.

In the physical education department. Mr. Woodrow West and Miss Sandra Wilson share responsibilities in holding the keys to good health and sound physical bodies. In the boys' department football, basketball, swimming, wrestling, and track are offered for training in competitive sports. The girls, on the other hand, do not take part in competition; but they are taught modern dance volleyball, hockey, baseball and swimming in class, and two of the classes take bowling lessons once a week during class time.

Mr. Clarence Lawless, instrumental music director, and Mr. David Robbins, vocal music director, have developed many fine musicians in their specific areas.

Library

Here at Nathan Hale the students soon very quickly acquaint themselves with our library as the library is one place where they can find most of the needed materials for almost any class assignment.

Mrs. Bess Greenlee has put forth a great effort to see that our library is as complete as possible and serves the student body. Each year finds the library shelves fuller.

You can't find the book! Then consult with Mrs. Greenlee.

CLASSES

Senior Class Activities

CLASS OFFICERS: Roger Van Horn, President; Mr. Petty, Sponsor; Phil Place, Vice-President; Tere Tanner, Secretary; Bill Tarpley, Treasurer.

With the cookout at McClure Park the Senior Class activity program got off to a hilarious start. The "Groadiest of the Groads" was the theme of the day. Prizes went to Karen Denton and Roger Van Horn, and Dwayne Beck who arrived on a donkey. The next event was the class play "Rebecca" which drew most favorable comment and large crowds. The Senior Class also participated in the all-school Christmas dance.

With the first warm days of the spring, graduation seemed much closer and preparations for the final program were started. The Vespers were planned for the evening of May 20th at the Boston Avenue Methodist Church with Rev. Curtis W. V. Junker as speaker.

Highlighting the final fling of course was the banquet and senior prom held in the Crystal Ballroom of the Mayo Hotel on the evening of May 26th. Monday morning, bright and early, the seniors gathered to breakfast together at Bordens in Sheridan Village and then went en masse to rehearsal.

The climax to thirteen years of schooling came on May 28th in the First Baptist Church. The speaker for Hale's second graduating class was Dr. Stephen Romine of the University of Colorado.

Junior Class

Led by four enthusiastic females, the Junior Class has enjoyed an active and prosperous year. The annual cook-out held at McClure Park on October 7, gave the energetic members of this class an opportunity for fun and entertainment.

A few weeks later rehearsals began for the play, "Flight Into Danger," which was presented on November 16 and 18. The Juniors also helped in planning the all-school Christmas dance, which was held on December 16.

In February with almost two-thirds of their high school days past, the Juniors experienced a new thrill when they ordered their Senior rings. In May they elected the officers who will lead them as Seniors.

JUNIOR BOARD: *Row 1:* Nancy Salter, Sara Friels, Diane Rainwater, Kay Craddock, Vicki Badger. *Row 2:* Betty Day, Dee Trimble, Donna Thiessen, Fran Westhoff, Dana Smith, Dixie Cochran. *Row 3:* Freddie Falk, Kay Matthews, Janet Bruns, Jean Ann Wells. *Row 4:* Jimmy Smith, Gary Moore, Rick Allan, Jim Naylor, Joe Gaddy.

CLASS OFFICERS: Jerry Perigo, President; Jim Williams, Vice-President; Miss Juanita Curtis, Sponsor; Donna Garrett, Secretary; Patsy Rutter, Treasurer.

Sophomore Class

The SOPHOMORE CLASS has had an exciting first year at Nathan Hale. Following an active campaign for class officers early in the year, the class members elected for their president, Jerry Perigo; vice-president, Jim Williams; secretary, Donna Garrett; treasurer, Patsy Rutter.

The first social event for the class was the cook-out on Saturday, October 4, at McClure Park. The Sophomores also joined wholeheartedly in the selling of tickets, and in the decorating for the all-school Christmas dance, which was held in the cafeteria on Saturday, December 16.

Another highlight of the year's activities was the class play, "Ask Any Girl," presented on March 2 and March 3 to appreciative audiences.

Finally the election of class officers for 1962-63 set the stage for eager anticipation of another profitable year at Nathan Hale.

ORGANIZATIONS ACTIVITIES

Student Council

STUDENT COUNCIL OFFICERS: *Standing:* Vicki Punnett, Sr. Inter-School Representative; Tim Castello, Sr. Inter-School Representative; Joann Talbot, Jr. Inter-School Representative; June Hewitt, Sergeant-at-arms; Carol Marsh, Board of Control; Fran Cravens, Parliamentarian; David Spellman, Chaplain. *Seated:* Pete Skinner, President; Steve Haas, Vice-President; Mrs. Judith Burton, Sponsor; Linda Smallwood, Recording Secretary; Sandra Thompson, Corresponding Secretary; Marde Gardner, Treasurer.

During the 1961-1962 school year the Nathan Hale Student Council sponsored many activities. The biggest of these activities was hosting the Oklahoma Association of Student Councils' annual convention. This convention, held at Hale November 30 through December 2, was attended by approximately 500 delegates and sponsors from student councils all over the state.

Nathan Hale had been elected the O.A.S.C. Secretary-Host school at the previous convention. In the spring of 1961, Suzanne Sanders was elected to the office of state secretary, and Wally Love was elected state treasurer.

Hosting the convention involved placing the 400 delegates in the homes of Rangers, making motel accommodations for the sponsors, collecting souvenirs from various commercial interprises for the guests, arranging for the lunches and dinners for the delegates which included a banquet and ball, arranging transportation in Tulsa for delegates, and planning the discussion groups and general assemblies.

For this project the Nathan Hale Student Council received national recognition and state-wide applause.

Another project in which the Hale Council was active is the Tulsa Inter-School Student Council in which it held the office of secretary.

In February the entire Hale council attended the City Student Council Convention at Tulsa University.

Activity Program

Our American Field Service program is sponsored by the student council. The funds necessary to send an American student abroad and to bring a foreign student to Hale were raised in one week.

Foreign understanding was given another boost in a program called "Living Letters." Under this program Hale exchanged tape recordings with a high school in Cambodia. The tapes are made in French and consisted of information about the two schools, the country of Cambodia, and the state of Oklahoma.

Each month the council held Senior Boy-and-Girl-of-the-Month elections. The purpose of this activity is to promote a high scholastic level in the school.

The student telephone directory, "Hale's Bells," is sponsored by the council each year.

St. Patrick's Day was celebrated by a Shamrock Snack in the cafeteria before school. At the snack the students enjoyed a breakfast consisting of doughnuts and milk or coffee, and elected a St. Patrick.

Two sock hops were sponsored by the student council. One followed the Hale vs. McLain football game, and the other was a money-raising project for AFS.

Patriot

Pat Czaja, Editor and Administration; Mrs. Elson, sponsor; Karen Ables, Sports.

The PATRIOT staff started fresh with only one returning member from last year's staff. With the careful help and guidance of Mrs. Elson, each person was taught the job of planning pages, designing layouts, and writing copy. Our photographers were more experienced than in the years past, and as a result more pictures were taken by students than by commercial photographers.

Instrumental Music Council

The Instrumental Music Council is composed of the drum major, manager, librarian, and four members elected from Band I, Orchestra I, and Band II.

The purpose of the IMC is to assist the director of the department in every way possible in formulating plans for the betterment of the department.

Vocal Music Department
A Cappella Choir

The Vocal Music Department, under the direction of Mr. David Robbins, participated in several assemblies and concerts this year. The Mixed Chorus and A Cappella Choir sang in "The Messiah" in the annual Christmas assembly. They have appeared before the Rotary Club and the Triple Trio sang at the annual Football Banquet. Their major productions were the A Cappella Winter Concert and the Spring Concert.

This department has contributed much to the school as a whole through the various concerts and assemblies in which they have played a part.

AA Regional Baseball Champions

The Ranger Baseballers brought home more honors this year than any of the other sports. The Rangers placed second in the City Conference and was the only team to beat the State A Champs, the Webster Warriors. The Rangers captured the AA Regional Crown and placed second to Lawton in the State AA Tournament after losing a heart-breaker 7-3.

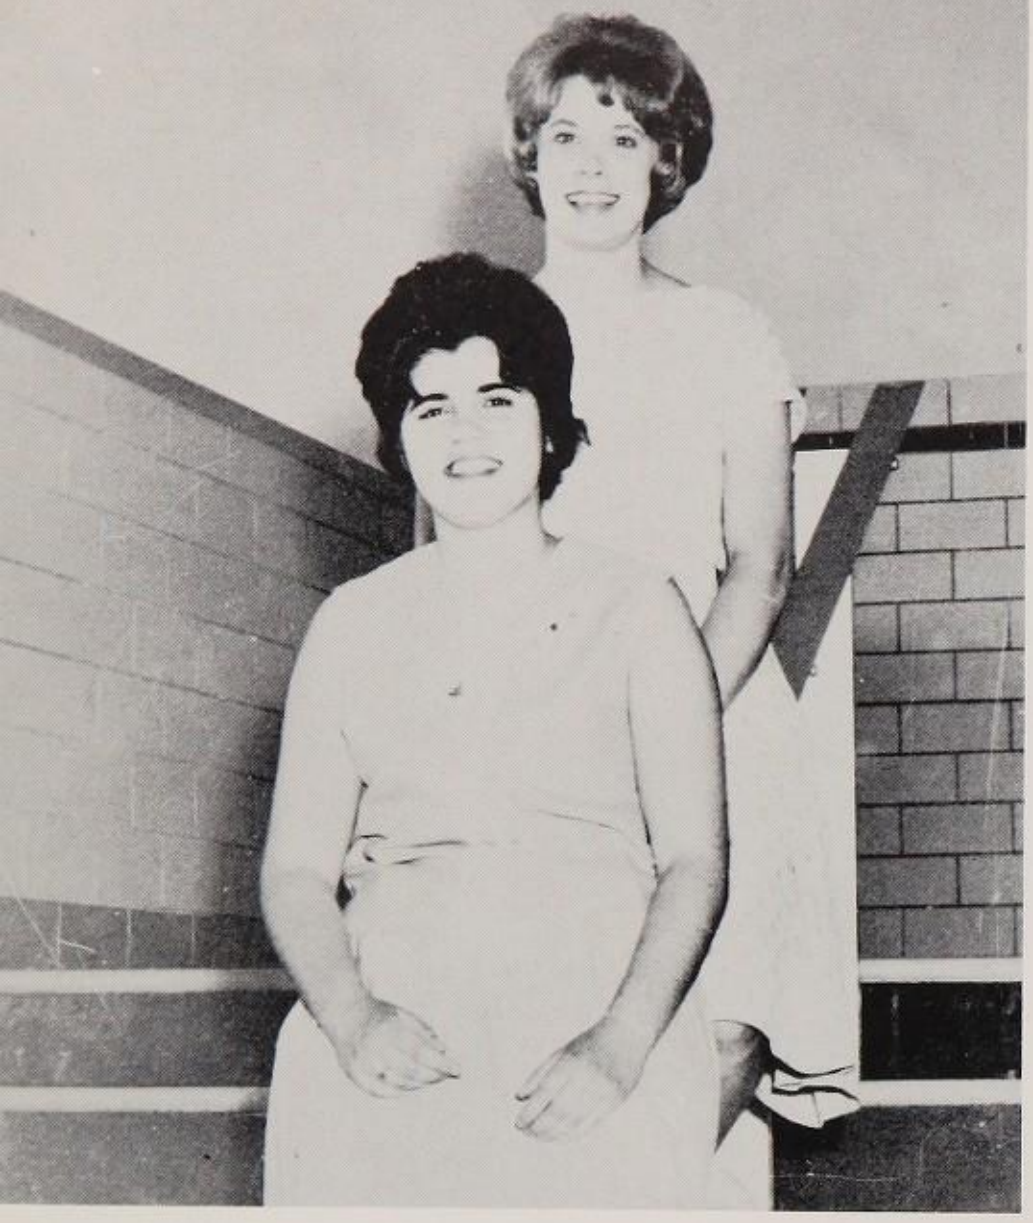
Miss Nathan Hale **Connie Clothier**

A.F.S. Program

An American Field Service International Scholarship is an open door which leads to understanding and friendship among the peoples of the world. Through this door pass students from more than fifty foreign countries to attend American secondary schools in more than 1,600 towns for a school-year of study and first-hand experience, and American teen-agers from practically every state to study and live with families abroad—a two-way exchange of seeing and learning.

In this way, young citizens of the world learn to recognize and to respect the similarities and differences of those who, though they live in different countries, have dreams and efforts similarly directed toward the goal of a peaceful and useful life.



FOREIGN EXCHANGE STUDENT, Maria Stini and her American sister, Connie Clothier.

Nathan Hale is great. I am very proud that I was your Exchange this past year. From the education to the sports and the school spirit, Hale is a success. The people meant a lot to me more than anything else. To all of you my friends, even those that they just smile at me in the hall, "I will never forget you."

Maria Stini

Visiting a country as an A.F.S.'er does not mean being a tourist, there just to look at the sights, but rather it means living with the people, coming to know them and to love them and, therefore, coming to understand them. This understanding and love were the greatest treasure that I brought back from my summer in Germany. It is the personal relationship that is built up between the exchangee and the host family which gives the A.F.S. program its vitality and which makes it such an effective organization.
